September 10, 2020

Dear Brothers and Sisters in Christ,

We are beginning to show signs of regaining some normalcy in our lives. In church, our attendance has been steadily growing and as we enter into fall we are reinstituting familiar programs. But, we must be patient and follow some precautions as we return to church.

To enter the church, we will have the door next to the alley open, the elevator will be available and the main doors next to the courtyard can be used. When you enter the sanctuary, please sit where you see the PCUSA symbol on the back of the pews. If you are attending the service alone, please sit in the shorter pews as we are placing the larger families in the longer pews.

The adult Bible study, which I teach on Sunday mornings, will begin on a new time at 9:45 AM and will finish at 10:30. This lesson will also be taught on Wednesdays at 10 AM. We are going to study the Gospel of Luke this fall and I hope many of you will take advantage of this.

We have been doing well and we pray we will do even better in the days ahead. Remain patient, stay in prayer, exercise good judgement and know that God loves you all.

In Christ,

Rev. Ronald Durika
