Greetings and welcome to the Latrobe Presbyterian Church.

We are glad that you stopped by today, whether you have been a member of LPC for many years, are looking for a church home or are simply curious. Wherever you are in your journey of faith, we welcome you and invite you to come, learn and grow with us.

We are a congregation that is steeped in history. The roots of our congregation go back to 1774 when land was acquired from two grandsons of William Penn for the purpose of a cemetery and church congregation. The Unity congregation was established and worshipped together for many years. Eventually as the town of Latrobe grew along with the railroad, the Latrobe Presbyterian Church was born and flourished. We have the great privilege to stand on the shoulders of many generations of faithful followers of Jesus who came before us, to learn from them and to continue on the life of faith of which they and we are a part.

But the story is not done! We believe that the God who we meet in the Bible is still living, active and working in His world today. We can see examples of this all around us and are blessed to be a part of what God is doing. We exist to know Jesus Christ and to walk in his love. We desire to show that love and grace both to one another and to all the members of our community.

We invite you to come and join us. We meet for worship on Sunday mornings at 11am. Our church is located at 428 Main Street in Latrobe, PA. During the summer, we also have a service at the historic Unity Chapel, located at 114 Chapel Lane in Latrobe. Unity Chapel is located within the Unity Cemetery. That service takes place at 8:30am. If you are unable to attend public worship, our 11am service is live-streamed on Facebook each week. There is a link to the Facebook page on our website. You can also listen to the service on the following four radio station WCNS 1480 AM, 910 AM, 107.5 FM and 98.7 FM.

We hope that you come and join us. We look forward to the opportunity to meet you and get to know you.

God bless,

Pastor Derek Campbell
